WILLIAM CAREY UNIVERSITY

Meghalaya, India

INTRODUCTION

William Carey University was established vide The William Carey University Act, 2005 (Act No. 13 of 2005) of 13 July 2005 by the Gazette of Meghalaya. The Governor of Meghalaya has accorded sanction for the establishment of the University.

The university is founded to contribute and to unleash the genius and potential of North East India. It has an avowed focus on offering high quality education and scope of ground breaking research to students and scholars especially of the South East Asian region and facilitate a platform of confluence for students and scholars of India along with a global outlook.

THE VISION

William Carey University is a unique institution where academia integrates with the socio-economic and environmental realities in order to bring about constructive transformation in the lives of the people and their contexts. The University brings together social, economic, environmental, cultural and academic activities in order to facilitate integrated growth for the community. An innovative range of study programs and research are being conducted within the distinctive context of the hill regions of NE India. Local cultures and the natural environment are being sustained alongside socio-economic development. Food, energy, water and their interconnection is the heart of all engagement and the university seeks collaborations and partnerships with various stakeholders world- wide. William Carey University is an emerging top ranking university in the region and the country.

ACADEMIC PROGRAMS

In keeping with its vision, William Carey University offers academic courses, programs and skills that empower students to involve in commercial as well as service oriented opportunities. Thus, whether teaching of Environment or Management, Education or IT programs the students train and study in an appropriate framework. Knowledge, skills and the dispositions for service to the community are cultivated. Programs offered by William Carey University, are both formal as well as non-formal as the university reaches out to the people rather than people coming into an academic sanctuary.

ECONOMIC DEVELOPMENT

William Carey University nurture alliances, those are strategic both nationally and globally. It imparts skills that promote economic growth in the region. The university facilitates appropriate research leading to commercial collaborations creating jobopportunities at various levels as there is wide scope for profitable ventures. Capital as well as other investments will be encouraged. Commercial operations will be encouraged to simultaneously develop a commitment to the community. The university is at an advantageous position due to its location to engage with thecommunity, state and different stake holders and promote a fillip to India's Look East and Act East Policy.

ENVIRONMENTAL DEVELOPMENT

The region is rich in its biodiversity but its fragile ecology must be carefully handled. With significant changes in global economic conditions and India in particular, the academia at the university has identified areas of study that affect North East India's economic development alongside its environmental sustainability. Studies conducted by the university have been able to address the changing economic, social and climatic perspectives that encourage environmentally sustainable economic development and also to utilize optimally the rich biodiversity of North East India. Students and scholars are encouraged to engage in research and propose projects for sustainable resource utilization. North East India offers an ideal "laboratory" for significant study of environmental sustainability for socio-economic development and the university is offering to pool resources with such institutions for the benefit of the students, scholars and the community at large. Such studies must change human behavior and actions so as to reduce ongoing damage

to the ecosystem while optimizing the available promise.

SOCIO-CULTURAL DEVELOPMENT

As development is a holistic concept, the key is to infuse economic development with socio-cultural sensitivity to nurture an integrated model of development and transformation of North East India. There is a growing tendency in the world to consider purely physical, economic and environment factors without reference to socio-cultural and religious realities. Studies of socio-cultural and religious factors affecting development and grass roots issues in tribal societies of the North East India also play a vital role in the development process.

RESEARCH PROJECTS

William Carey University encourages research projects that study tribal culture, religion, gender issues, and management and administrative systems. The worldwide impact by globalization is all pervasive and the current blow inflicted by COVID-19 has been life changing. Studies reflect the realities of our life and times and how our values and behavior transform. The various departments under the Schools of Study at the William Carey University, has been in the forefront of encouraging and engaging in relevant studies and research.

WCU NSS-CELL

William Carey University-National Service Scheme (WCU-NSS Cell) was set up in the university with the objectives to understand the community; identify the needs and problems of the community and involve them in the problem-solving process; develop the volunteers and instill in them a sense of social and civic responsibility. It also aims to utilize their knowledge in finding practical solutions to individual and community problems; develop competence required for group living and sharing of responsibilities; gain skills in mobilizing community participation; acquire leadership qualities and democratic attitude; develop capacity to meet emergencies and natural disasters and practice national integration and social harmony.

At present WCU-NSS have 1 Program Coordinator, 3 Program Officers and 500 Volunteers. It has 3 adopted villages. Numerous social works, camps, orientation programs, workshops and competitions had been conducted. It has also received numerous prizes and awards. The recent awards received by WCU - NSS were Swatch Bharat Summer Internship-01 state-level 1st, 2nd and 3rd awards in 2019 and Swatch Bharat Summer Internship-02 state-level 1st and 2nd Prizes awards in 2020. The WCU-NSS volunteers received certificates and ₹ 2,90,000/- for all the awards. NOTIFICATION ON RAGGING

Ragging may be defined as any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or a junior student. It may also be referred to indulging in an undisciplined activity which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear in a fresher or a junior student. Asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student is also considered as ragging.

To curb the menace of ragging on higher educational institutions the University Grants Commission has framed anti-ragging regulations in pursuance to the judgment of the Honorable Supreme Court of India dated 8.5.2009 in Civil Appeal No. 887/2009. These regulations are to be mandatorily to be followed by all universities and colleges. To eliminate ragging in all its forms, William Carey University has also adopted the 'Zero Policy Tolerance' towards ragging since its inception. No act of ragging, major or minor shall go unnoticed. No ragger, male or female, student or non-student, shall go unpunished. Strict action will be taken against those who indulge in ragging as per the guidelines given by the UGC.

William Carey University has taken several steps to curb the menace of ragging at it premises.

- ✓ First and Foremost, the prospectus for admission issued to the aspirants for admission has clearly mentioned that ragging in any form is banned in the institution and anyone indulging in ragging is likely to received deterrent punishment.
- ✓ The university has setup a dedicated Anti-Ragging Cell to encourage the students for reporting against any incidents of ragging.
- ✓ CCTVs have also been installed at vital points around the university and constant Counselling of students are being done to prevent any such incidents.
- ✓ Workshops and Seminars are held every once a year to create awareness among the students.
- ✓ Surprise inspection of student accommodation, canteens, recreational rooms etc. are done on regular basis by the members of the Anti-Ragging Cell.
- ✓ Anti-Ragging posters are displayed at all prominent places like Admission Centre, Departments, Library, Canteen, Common Facilities etc.
- ✓ Each student and every parent are advised by the university to submit an online undertaking every academic year at www.antiragging.in. This is in accordance to the 2nd amendment in UGC regulations.

Strict action will be taken against those who indulge in ragging as per the guidelines given by UGC. Students should report any unsocial behavior on the campus to the Anti-Ragging Cell of the University.
