Chancellor's Message:

William Carey University, Meghalaya is a unique vision. It is an institution that does not just concentrate on academics alone but also integrate socio-economic and environmental realities of Meghalaya in particular and the North East India in general. Universities have become academic “ivory towers” and merely operating as degree mills, however William Carey University, Meghalaya is set to propel a paradigm shift in this context.

Established by the Gazette of Meghalaya No. 76 William Carey Act 2005, the William Carey University, Meghalaya has been functioning since 2005 with the first batch of students coming in 2008.

William Carey University, Meghalaya has made steady progress with various programs on offer that will fulfill our vision of facilitating youth in their journey of life.

Welcome to William Carey University, Meghalaya.

Prof. (Dr.) Anand Kumar Gupta
Chancellor

*From the desk of
Vice Chancellor*

Hello friends and fellow citizens,

I am happy to present to you our University and welcome you to be involved in the progress of the University as its stakeholders. Over the past 17 years, William Carey University, Meghalaya has grown in stature and is today recognized as one of the premier Universities in the North East India. William Carey University, Meghalaya is University Grants Commission (UGC) recognized and Pharmacy Council of India (PCI) approved. With a mere 4 departments to begin with on the campus today our University has 28 Departments offering various course and programs in the Diploma, Post-Graduation Diploma, Under Graduate, Post Graduate and PhD levels.

Our University is known for conducting its academic programs and examinations as per schedule. The credit based yearly/semester system, at the Diploma, Post-Graduation Diploma, Under Graduate, Post Graduate and PhD working well.

Adequate infrastructure is always a priority for the University. The basic facilities available on the campus include: Administrative section, Faculty sections, Library cum Reading Room, Student and Hostels Assistance Linkages, Career Counseling and Placement Cell with cent percent interview assistance, Online Admission portal as well as Offline Admission facilities, Well-equipped Computer laboratory, Science Laboratories, Pharmacy Laboratories, National Service Scheme(NSS) and regular student development programs, Free Computer Certification, Field trips and Internships. Multi-disciplinary and Inter-disciplinary approach to holistic and integrated approach to life and study through field works/projects/dissertations are imparted. Among other facilities: All the offices of our University are computerized and we are adopting e-governance initiatives. Our teaching faculties have rendered themselves creditably in teaching and research activities.

A Research and Consultancy Promotion Cell (RCPC) has been constituted to promote and strengthen research programs of our University. It is also felt that the consultancy programs needs to be strengthened to encourage the faculty to work in collaboration with industries and institutions in the area of their expertise. Faculties and departments are engaged in and conducting researches, seminars and conferences in collaboration with institutions like Indian Council for Social Science Research, North Eastern Council and various departments of the State Government. University-Industry interactions are being strengthened and the University proposes to start skill development programs in collaboration with industries soon. CCTV cameras are installed on the campus for providing safe and secure environs to the students and other stakeholders. University is also encouraging extension activities through village adoption programs to strengthen the linkage with society. The "Swachh Bharath" program is being carried out very effectively involving the NGOs and the local people. The International Study Centre is doing well and the University has begun to attract International students for PG and Research programs. Life at the campus is invigorating and wholesome. William Carey University is an integral part of nation building among cultural diversities of the region. The University tries to reach that goal by engaging with the community and celebrating all meaningful events and important days on campus. The

processes of Admissions and Examinations are fully computerized. The University provides a safe and peaceful environment that is conducive to learning with the active support of students, faculty, administrative staff and the University authorities.

The “William Carey University Alumni Connect” helps to preserve and strength the connection between the alumni at home and abroad. The alumni aim to share information regarding the latest initiatives of the institution, to honor distinguished alumni for supporting in brand building, to organize networking get-togethers and overall development of the William Carey University. William Carey University has also adopted the ‘Zero Tolerance Policy’ towards ragging since its inception. No act of ragging, major or minor shall go unnoticed.

I am confident that William Carey University, Meghalaya, which is a State Private University, besides serving the local community, will reach greater heights of excellence nationally and internationally in the days to come and attract more students from other parts of the world.

Come join in this collaborative journey forward.

Prof. (Dr.) Soma Bhowmick
Vice Chancellor

*From the desk of
Registrar*

Greetings from the Registrar's Desk,

William Carey University, Meghalaya is guiding the young generation on the right path in education. There are experienced and learned faculty members in the university who are teaching and guiding students and scholars not only to understand and analyse but also to help bring out new findings successfully. The university teachers motivate and enlighten students and scholars in every sphere. Students and Scholars implement what they learned during their studies to benefit society and humanity as a whole.

The university provides student centric, quality, skill-based and career led education. The university also provides assistance in finding appropriate job opportunities through its training and placement cell. The achievements of our alumni are commendable and many of them are in a high position in cooperative and government sectors. Our present students and scholars are excellent in different disciplines and in due course, they will be outstanding and successful.

I invite you all to join William Carey University, Meghalaya to build up your personality and to be in your dream career.

Welcome and Best wishes to all.

***Dr. PG Jangamlung Richard
Registrar***

WILLIAM CAREY UNIVERSITY

Meghalaya, India

INTRODUCTION

William Carey University was established vide The William Carey University Act, 2005 (Act No. 13 of 2005) of 13 July 2005 by the Gazette of Meghalaya. The Governor of Meghalaya has accorded sanction for the establishment of the University.

The university is founded to contribute and to unleash the genius and potential of North East India. It has an avowed focus on offering high quality education and scope of ground breaking research to students and scholars especially of the South East Asian region and facilitate a platform of confluence for students and scholars of India along with a global outlook.

THE VISION

William Carey University is a unique institution where academia integrates with the socio-economic and environmental realities in order to bring about constructive transformation in the lives of the people and their contexts. The University brings together social, economic, environmental, cultural and academic activities in order to facilitate integrated growth for the community. An innovative range of study programs and research are being conducted within the distinctive context of the hill regions of NE India. Local cultures and the natural environment are being sustained alongside socio-economic development. Food, energy, water and their inter connection is the heart of all engagement and the university seeks collaborations and partnerships with various stakeholders world- wide. William Carey University is an emerging top ranking university in the region and the country.

ACADEMIC PROGRAMS

In keeping with its vision, William Carey University offers academic courses, programs and skills that empower students to involve in commercial as well as service oriented opportunities. Thus, whether teaching of Environment or Management, Education or IT programs the students train and study in an appropriate framework. Knowledge, skills and the dispositions for service to the community are cultivated. Programs offered by William Carey University, are both formal as well as non-formal as the university reaches out to the people rather than people coming into an academic sanctuary.

ECONOMIC DEVELOPMENT

William Carey University nurture alliances, those are strategic both nationally and globally. It imparts skills that promote economic growth in the region. The university facilitates appropriate research leading to commercial collaborations creating job opportunities at various levels as there is wide scope for profitable ventures. Capital as well as other investments will be encouraged. Commercial operations will be encouraged to simultaneously develop a commitment to the community. The university is at an advantageous position due to its location to engage with the community, state and different stake holders and promote the India's Look East and Act East Policy.

ENVIRONMENTAL DEVELOPMENT

The region is rich in its biodiversity but its fragile ecology must be carefully handled. With significant changes in global economic conditions and India in particular, the academia at the university has identified areas of study that affect North East India's economic development alongside its environmental sustainability. Studies

conducted by the university have been able to address the changing economic, social and climatic perspectives that encourage environmentally sustainable economic development and also to utilize optimally the rich biodiversity of North East India. Students and scholars are encouraged to engage in research and propose projects for sustainable resource utilization. Northeast India offers an ideal “laboratory” for significant study of environmental sustainability for socio-economic development and the university is offering to pool resources with such institutions for the benefit of the students, scholars and the community at large. Such studies must change human behavior and actions so as to reduce ongoing damage to the ecosystem while optimizing the available promise.

SOCIO-CULTURAL DEVELOPMENT

As development is a holistic concept, the key is to infuse economic development with socio-cultural sensitivity to nurture an integrated model of development and transformation of North East India. There is a growing tendency in the world to consider purely physical, economic and environment factors without reference to socio-cultural and religious realities. Studies of socio-cultural and religious factors affecting development and grass roots issues in tribal societies of the North East India also play a vital role in the development process.

RESEARCH PROJECTS

William Carey University encourages research projects that study tribal culture, religion, gender issues, and management and administrative systems. The worldwide impact by globalization is all pervasive and the current blow inflicted by COVID-19 has been life changing. Studies reflect the realities of our life and times and how our values and behavior transform. The various departments under the School of Study at the William Carey University, has been in the forefront of encouraging and engaging in relevant studies and research.

WCU NSS-CELL

William Carey University-National Service Scheme (WCU-NSS Cell) was set up in the university with the objectives to understand the community; identify the needs and problems of the community and involve them in the problem-solving process; develop the volunteers and instill in them a sense of social and civic responsibility. It also aims to utilize their knowledge in finding practical solutions to individual and community problems; develop competence required for group living and sharing of responsibilities; gain skills in mobilizing community participation; acquire leadership qualities and democratic attitude; develop capacity to meet emergencies and natural disasters and practice national integration and social harmony.

At present WCU-NSS have 1 Program Coordinator, 3 Program Officers and 500 Volunteers. It has 3 adopted villages. Numerous social works, camps, orientation programs, workshops and competitions had been conducted. It has also received numerous prizes and awards. The recent awards received by WCU -NSS were Swachh Bharat Summer Internship-01 state-level 1st, 2nd and 3rd awards in 2019 and Swachh Bharat Summer Internship-02 state – level 1st and 2nd Prizes awards in 2020. The WCU-NSS volunteers received certificates and ₹2,90,000/- for all the awards. The Program Coordinator, Program Officers and Volunteers with the assistance and support from faculty, staff and authority in collaboration with the government have been rendering social services indifferent ways especially during the COVID-19 Pandemics.

CONVOCATION

Convocations are held at regular intervals in Shillong; however one can also receive the degree in absentia.

ALUMNI

The “William Carey University Alumni Connect” was set up to preserve and strength the connection between the alumni at home and abroad. The alumni aim to share information regarding the latest initiatives of the

institution, to honor distinguished alumni for supporting in brand building, to organize networking get-togethers and overall development of the William Carey University.

WILLIAM CAREY GLOBAL CONNECT (WCGC)

The William Carey University, as per University Grants Commission (UGC) and in line with visions of NEP 2020 has started an initiative called William Carey Global Connect (WCGC) to coordinate matters relating to welcoming and support foreign students desirous of admission into various departments of the university. It is also engaged in promotion activities and brand building, disseminating information related to admission process. It also acts as liaison between foreign students/scholars and their collaborative activities with foreign institutions and educational institutions.

STUDENT ACCOMODATION HOSTEL FACILITES

Student accommodation plays a vital role in the academic cycle. Hence, William Carey University has a commitment to ensure safety, comfort, health and a welcoming homely atmosphere for all students at all times. Students may choose to stay in hostels or guest house etc. accommodations. William Carey University has a committee/ cell to manage student accommodation, providing information and guidance regarding accommodation option(s).

UGC RELATIONS

William Carey University is listed on the University Grants Commission (UGC), India and Ministry of Human Resource Development as a State Private University. The university offers UGC recognized courses and it has the approval of Pharmacy Council of India (PCI) offering Diploma in Pharmacy (D.Pharm) and Bachelor of Pharmacy (B.Pharm) since 2020-2021 sessions onwards. The University is competent to award degrees as per section 22 of UGC Act 1956. The University is also a member of the Association of Indian Universities (AIU). Check out the UGC recognized letter of the university website www.williamcareyuniversity.ac.in

ASSOCIATION OF INDIAN UNIVERSITIES

William Carey University, Meghalaya is proud to be a member of ASSOCIATION OF INDIAN UNIVERSITIES. The University collaborates to promote and represent the higher education system and Indian Universities on national and international forums and establish strong liaison with the government, National/International organizations of higher education, sister associations world over and among universities through active support, cooperation and coordination among the member universities and all stakeholders for promoting quality education, research, sports, culture & values. You can find us at <https://www.aiu.ac.in/member.php>, ENTRY 817

PHARMACY COUNCIL OF INDIA

You can find us at [https://williamcareyuniversity.ac.in/assets/images/Affiliations/Decision%20Letter%20for%20Academic%20Session\(2021-2022\).pdf](https://williamcareyuniversity.ac.in/assets/images/Affiliations/Decision%20Letter%20for%20Academic%20Session(2021-2022).pdf)

STUDENT GRIEVANCE CELL

A Student's Grievance Cell is established to provide a mechanism to students and scholars for redress of their grievances with regard to their complaints on academic and non-academic matters, grievances related to assessment, victimization, attendance, charging of fee, conducting of examinations, harassment by colleague

students or teachers etc. The Cell is dedicated to promote and maintain a conducive and unprejudiced educational environment in the university so that the dreams of the students and scholars at the William Carey University are realized. Students and scholars are requested to note that making a complaint is serious and therefore they are to use this power in a responsible manner. At the same time, the university assures students that once a complaint is made, it will be treated with sensitivity and confidentiality. Check out the details of the Student's Grievance Cell in the university website www.williamcareyuniversity.ac.in

ASSESSMENT

All students are required to do project work and seminars. William Carey University follows Choice Based Credit System (CBCS) with 10 scale pointer. It has semester module. All courses have both formative assessment and summative assessment.

Formative assessment normally carries 25% of the total marks and the summative assessment carries 75% marks. The Passing pointer is 4.0. Failure to get the required pointer means that the candidate has failed and is required to repeat the respective paper. For the award of Degree, the minimum CGPA required is 5.0

ATTENDANCE

All students are to maintain 75% attendance all the time. Those who fall short of attendance will be required to do extra classes/assignments/and pay a fine. Students who habitually absent themselves and fall short of the required attendance may be asked to repeat the semester.

GRADUATION REQUIREMENTS

- Completion of all required courses, projects and assessments.
- Payment of all fees.
- Clearance from the library.

LIBRARY

William Carey University Library is an academic library which caters the need of the students, research scholars and faculty of this University. Library is a growing organism and so multiple volumes of books and journals are added each year. Library now houses more than 6000 volumes of books, journals, articles, etc. The print collection includes books, research reports, reference books and back volumes of periodicals etc. In addition to the professional reading the library provides a good amount of reading like daily newspapers and some books for soft skills development. All subjects related to the University's academic program have been included in the library collection.

A user-friendly library software called Koha has been adopted at the Library. This internationally recognized software facilitates automated circulation (issue & return) of the books and speedy access to bibliographies, locations and availability information of the books stocked in the library.

TRAINING & PLACEMENT CELL

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The Department of Training & Placement is the backbone of any institute. The main objective of any training and placement cell is to assist students develop/clarify their academic and career interests, and their short and long-term goals through individual counseling and group sessions also to assist students develop and implement successful job search strategies. The professional world is tough. There's widespread competition for jobs, and not everyone gets a great opportunity. With their final semester already and on their mind, the students can be under a lot of pressure when it comes to placements. It can be very tough for the students mentally. That is why a university needs to have a good placement cell in place.

University placements cells will help students prepare for their upcoming step into the professional world, and also help relieve a major part of the stress they have. They have been established by the university mainly as a place for guidance that will help them get placed in a job profile they want according to their qualifications and skills. Along with preparation, university placement cell help get the right people to the right place. If left alone, students could really hamper their careers by getting into the wrong place. Therefore, the importance of a good placement cell cannot be stressed enough.

SCHOOLS OF STUDY

William Carey University, offers Diploma, Post Graduate Diploma, Graduate, Post Graduate and Ph.D. courses across three Schools of study.

A) SCHOOL OF SOCIAL SCIENCES AND HUMANITIES

Social Sciences and Humanities is the branch of science devoted to the study of society and its institutions, and the relationships among individuals within those societies and institutions. Post Graduate Diploma in Rural Development is a full-time diploma program, the duration of which is two semesters. The eligibility of the course is passing of 10+2+3 examination or qualifying any graduation examination with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: Graduation in any stream from a recognized board.

UG COURSE: BACHELOR OF ARTS (RURAL DEVELOPMENT)

BA in Rural Development is a full-time under graduate program, the duration of which is six semesters. The eligibility of the course is passing of 10+2 examination or qualifying any 12th grade examination with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: 10+2 in any stream from a recognized board.

PG COURSE: MASTER OF ARTS (RURAL DEVELOPMENT)

M.A in RURAL DEVELOPMENT is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.A. in any subject or its equivalent degree with a minimum aggregate listed under a recognized board

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

FEE STRUCTURE FOR DIPLOMA PROGRAM

SEMESTER I / COURSE	North East (INR)	Rest of India (INR)
	DIPLOMA	
Admission Fee	6000.00	11000.00
Caution Fee	1000.00	1000.00
Library Fee	1000.00	1000.00
Tuition Fee	15000.00	20000.00
Total	23000.00	33000.00

SEMESTER II	North East (INR)	Rest of India (INR)
Library Fee	1000.00	1000.00
Tuition Fee	15000.00	20000.00
Total	16000.00	21000.00

International fee will hike by 10000 in Admission Fee and Tuition Fee both with respect to North East (INR)

FEE STRUCTURE FOR PG DIPLOMA PROGRAM

SEMESTER I / COURSE	North East (INR)	Rest of India (INR)
	PG DIPLOMA	
Admission Fee	6000.00	11000.00
Caution Fee	1000.00	1000.00

International fee will hike by 10000 in Admission Fee and Tuition Fee both with respect to North East (INR)

SCHOOL OF SCIENCES

Department of CHEMISTRY

Chemistry plays a vital role towards the development and growth of a number of industries like pharmaceuticals, chemical manufacturers, agrochemicals, glass, paper, textile, leather etc. The demand for chemists is also increasing in oil, gas, power and defense sectors. The Department of Chemistry through its UG and PG programs is trying to train the students to develop their skills in the application of theory to practical knowledge which will be relevant for bridging the industry-academia gap.

UG COURSE: BACHELOR OF SCIENCE (CHEMISTRY)

COMBINATIONS: Chemistry, [(Botany & Zoology) / (Microbiology & Botany) / (Mathematics & Physics)]

Duration: 6 semesters.

Eligibility: 10+2 in Science stream from a recognized board

PG COURSE: MASTER OF SCIENCE (CHEMISTRY)

M.Sc. in CHEMISTRY is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

The Department of Physics has the vision to aid in building a foundation for excellence and development of the institution as a premier Institution by igniting and nurturing enthusiasm, interests and passion in the study of Physics.

UG COURSE: BACHELOR OF SCIENCE (PHYSICS)

COMBINATIONS: Physics, [Chemistry & Mathematic]

Duration: 6 semesters.

Eligibility: 10+2 in Science stream from a recognized board

PG COURSE: MASTER OF SCIENCE (PHYSICS)

M.Sc. in PHYSICS is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

Department of PHYSICS

Department of MATHEMATICS

The Department of Mathematics aims to create a solid foundation for the assimilation of mathematical concepts and structures and build mathematical skills like creative, logical and analytical thinking. Software such as C programming is used to increase the understanding of the fundamental mathematical concepts.

UG COURSE: BACHELOR OF SCIENCE (MATHEMATICS)

COMBINATIONS: Mathematics, [Physics & Chemistry]

Duration: 6 semesters.

Eligibility: 10+2 in Science stream from a recognized board

PG COURSE: MASTER OF SCIENCE (MATHEMATICS)

M.Sc. in MATHEMATICS is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

Zoology is a broad and conventional branch of biology that deals with study of the animal kingdom. With its diverse sub-branches and specialization zoology as a subject offers a lot of scope.

UG COURSE: BACHELOR OF SCIENCE (ZOOLOGY)

COMBINATIONS: Zoology, [(Microbiology & Chemistry)/ (Botany & Chemistry)]

Duration: 6 semesters.

Eligibility: 10+2 in Science stream from a recognized board

PG COURSE: MASTER OF SCIENCE (ZOOLOGY)

M.Sc. in ZOOLOGY is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from recognized university.

**Department
of
ZOOLOGY**

**Department
of
BOTANY**

The Department of Botany strives to empower students with a holistic and comprehensive education across a wide range of subject areas, which would enable them to contribute effectively to basic and applied education and research in plant biology. The Department sees the need of the society for a sustainable program that would create awareness and education of the environment, starting from the root that is the academic program.

UG COURSE: BACHELOR OF SCIENCE (BOTANY)

COMBINATIONS: Botany, [(Zoology & Chemistry)/ (Microbiology & Zoology)]

Duration: 6 semesters.

Eligibility: 10+2 in Science stream from recognized board

PG COURSE: MASTER OF SCIENCE (BOTANY)

M.Sc. in BOTANY is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from recognized university.

Microbiology is a well know disciplinary subject that coincides with other fields of life sciences. The study of microorganisms has never been more important as of today with increasing incidences of outbreak of infectious diseases and pathogens.

UG COURSE: BACHELOR OF SCIENCE (MICROBIOLOGY)

COMBINATIONS: Microbiology, [(Botany & Zoology) / (Botany & Chemistry)]

Duration: 6 semesters.

Eligibility: 10+2 in Science stream from a recognized board

PG COURSE: MASTER OF SCIENCE (MICROBIOLOGY)

M.Sc. in MICROBIOLOGY is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a

Department of GEOGRAPHY

The department of Geography aims at providing opportunities to our students to understand all aspects of the discipline through its—theories, practical, projects/ dissertations. In the applied aspects of the discipline the students are encouraged to make models to showcase the importance of the subject.

UG COURSE: BACHELOR OF ARTS/ BACHELOR OF SCIENCE (GEOGRAPHY)

B.A/ B.Sc. Geography are an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any stream with a minimum aggregate listed under a recognized board.

COMBINATIONS: Geography, {Economics / Sociology / Environmental Management / History (any 2)}

Duration: 6 semesters.

Eligibility: 10+2 in any stream from a recognized board.

MASTER OF ARTS /MASTER OF SCIENCE (GEOGRAPHY)

M.A/ M.Sc. GEOGRAPHY are a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is graduation in Geography or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from recognized university.

The Department of Environmental Management and Science was established with the vision to systematically study environment in relation to sustainable development. Learners will understand and know the basic concepts of environment and analyze and classify the various issues in environmental sustainability in the face of modern developmental activities.

The department provides innovative education with a mission to advance understanding of the environment through interdisciplinary scientific research, education, and service.

UG COURSE:

1. BACHELOR OF ARTS (ENVIRONMENTAL MANAGEMENT)

COMBINATIONS: Environmental Management, {Education / Economics / Sociology / Geography (any2)}

Duration: 6 semesters.

Eligibility: 10+2 in Arts/Commerce stream from a recognized board.

2. BACHELOR OF SCIENCE (ENVIRONMENTAL SCIENCE)

COMBINATIONS: Environmental Science, [(Botany & Zoology)/ (Micro-Biology & Botany)/ (Chemistry & Zoology)]

Duration: 6 semesters.

Eligibility: 10+2 in Science stream from a recognized board.

PG COURSE:

1. MASTER OF ARTS (ENVIRONMENTAL MANAGEMENT)

M.A in ENVIRONMENTAL MANAGEMENT is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.A in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Department of ENVIRONMENTAL MANAGEMENT AND SCIENCE

Eligibility: Graduation in relevant subject from a recognized university

2. MASTER OF SCIENCE (ENVIRONMENTAL SCIENCES)

M.Sc. in ENVIRONMENTAL SCIENCE is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in respective subject or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

Department of AGRICULTURE

The department aims to be the center of quality education and training that will be able to produce agriculturists with excellence who can contribute their knowledge and skills to the farming community as well as in developing technologies that can be adopted readily by the region.

BACHELOR OF SCIENCE (AGRICULTURE)

B.Sc. in AGRICULTURE is an undergraduate degree course of eight semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any relevant stream of Science with a minimum aggregate listed under a recognized board.

Duration: 8 semesters.

Eligibility: 10+2 in Science stream from a recognized board.

MASTER OF SCIENCE (AGRICULTURE)

M.Sc. in AGRICULTURE is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in Agriculture or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

**SCHOOL
OF
PROFESSIONAL
STUDIES**

Department of COMMERCE

Department of Commerce of the University offers Courses like: Diploma, B.Com and M.Com. These courses give students the opportunities to opt for career such as; Business Executives, Accountants, HR manager, Data Analyst, Marketing manager, Investment banker, Wealth Manager etc. in the state like Meghalaya, where industrial reach is limited and employment opportunities are very limited, Department of Commerce is guiding youths of the state to become employable as well as motivating them to become job creators as well. A subject like commerce is giving the youths an understanding of the business and finance and economy as a whole and how does it functions so that the students in their career can use this knowledge. The department is committed to integrate all facets of commerce to educate and train innovative and competent human resources globally suitable for industry, business and service sector and to equip and encourage them to start their own ventures especially in areas where employment is an issue.

DIPLOMA (ACCOUNTING, INVESTMENT & TAXATION)

Diploma in Accounting, Investment and Taxation is a full-time diploma program, the course duration of which is two semesters. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream of Science/ Arts/ Commerce with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: 10+2 examination in any stream from a recognized board.

UG COURSE: BACHELOR OF COMMERCE (B.Com)

Accounting skills are of great relevance and brightens the prospects for success in every walk of modern professional life. Consequently, commerce education has gained much prominent ease field of study. Commerce education at William Carey University aims at creating action leaders in society, business and nation as well. The department has taken initiative to introduce unique integrated programs to facilitate advanced and professional exposure to the students.

A. Compulsory Papers:	English, Alternative English, Environmental Education
B. Major Subjects:	Financial Accounting, Business Organization & Management, Business Law, Business Mathematics & Statistics, Company Law, Income Tax Law & Practice, Corporate Accounting, Cost Accounting
C. Electives:	Human Resource Development, Principles of Marketing, Auditing & Corporate Governance, Fundamentals of Financial Management, Indirect Tax Law, Corporate Tax Planning, Banking & Insurance, Management Accounting, Computerized Accounting System, International Business, Office Management & Secretarial Practice, Fundamentals of Investment, Consumer Protection

Duration: 6 semesters.

Eligibility: 10+2 in commerce stream from a recognized board.

PG COURSE: MASTER OF COMMERCE (M.Com)

M.Com is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Com or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

In order to meet the needs of the changing environment due to development in the international economic scenario and its consequent impact on India's domestic market, the Business Administration Programme has been designed to meet the present and future needs for professional managers. The goal of the course is to create a team of competent managers and entrepreneur to take care of the expanding business and industrial activities in the competitive environment.

The Business Administration Programme aims at imparting professional education and training in modern management techniques for handling business operation in a highly dynamic and competitive environment. The programme is intended to have the following objectives:

1. Developing the ability to recognize and analyze problems.
2. Developing analytical and decision making skills.
3. Providing insight into the fundamental nature of management process and human behavior in the organization.
4. Developing the ability to formulate goals and to create commitment to these goals in a given organization.
5. Developing an insight into the various organizational problems in the context of changing Technological, Economic, Social and Political Scenario.

UG COURSE: BACHELOR OF BUSINESS ADMINISTRATION (BBA)

BBA program offers practical management training that can prepare students to successfully work within a large or small organization and typically allow students to specialize in one of multiple concentration areas, including international business, finance, real-estate, computer information system or accounting.

Duration: 6 semesters.

Eligibility: 10+2 in any stream from recognized board.

PG COURSE: MASTER OF BUSINESS ADMINISTRATION (MBA)

MBA is one of the most popular post-graduate programs globally. The four semester's program is a gateway to a plethora of job opportunities in the corporate world. Fresh graduates as well as candidates with a few years of work experience opt for a full-time MBA. MBA is a postgraduate degree course of four semester duration. The minimum eligibility criterion of the course is graduation in any stream or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in any subject from a recognized university.

Department of ENGINEERING

The department of Engineering aims to educate new generations of engineers to meet the challenges, demands and expectations of our global society, also to grab new knowledge and nurture inter-disciplinary education for solving the problems facing an ever-changing society.

The mission of the department is to contribute new ideas and innovations that empower advancements in their profession. In order to achieve its mission and educational objectives the Department of Engineering provides various courses (Diploma, Post Graduate Diploma, Under Graduate, Post Graduate and Ph.D.) under the disciplines like Computer Science, Information Technology, Civil Engineering, Electronics etc., ensures that graduates have attained the following program outcomes:

- An ability to design and conduct experiments as well as to analyze and interpret data.
- Ability to identify formulae and solve engineering problems.
- Ability to use the techniques, skills and modern engineering tools necessary for engineering practice.

Computer Science is the study of different programs that involves data and is represented by multiple programs. Users can use algorithms, code, interact with other people, and can manipulate digital information using Computer Science knowledge. It helps one to do the computation and to design the software, to develop different applications. Technology is used to solve the problems, and different subjects are microprocessor, programming languages, database, networks, and computer software. A science that does not have any traditional scientific methods and uses only technology to solve any problem is called Computer Science. The Department is committed to excellence in undergraduate and graduate teaching, research, and service aiming to contribute to the socioeconomic development of Puerto Rico through. The education of a diverse, well-rounded, entrepreneurial engineering workforce with a keen sense of social responsibility and a vocation for global engagement. The production of new knowledge and the transfer of technology. The cultivation of strong ties with community, governmental, and non-governmental organizations.

As now the world is becoming more and more digital, so the scope for Computer Science is also becoming more and more. There is a lot of scope in computer science even all might have seen people who are from other specializations like Civil, Mechanical, Electronics and all are working in the Computer Science sector. Therefore, the IT exports are expanding; according to the records, only if we see India, the Indian IT exports are expected to expand to the tune of US\$ 175 billion. The most important point in the scope of computer science is that it is not limited to India, which means it has no geographical boundary.

There are various positions on which you can work after completing the computer science like Developer or Software Developers, Software Testing, Database Developer, Data Architect, Data Modeler, Associate, Quality Assurance, Analyst, Mobile Applications Developer, UI/UX Designer, Software Quality Assurance (QA), Game Designer, Website or Mobile Application Designer, Information Technology Auditor and so on.

COMPUTER APPLICATION

Arts/ Commerce with a minimum aggregate listed under a recognized board.
Duration: 2 semesters.
Eligibility: 10+2 examination in any stream from a recognized board.

Post Graduate Diploma in Computer Application is a full-time diploma program, the duration of which is two semesters. The eligibility of the course is passing of 10+2+3 examination or qualifying any graduation examination with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.
Eligibility: Graduation in any stream from a recognized board.

Post Graduate Diploma in COMPUTER APPLICATION (PGDCA)

Bachelor of Science in COMPUTER SCIENCE/ INFORMATION TECHNOLOGY

B.Sc. in CS/ IT is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any relevant stream of Science with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.
Eligibility: 10+2 in Science stream from a recognized board.

BCA is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any stream of with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.
Eligibility: 10+2 in any relevant stream from a recognized board.

Bachelor of COMPUTER APPLICATION

Master of Science in COMPUTER SCIENCE/ INFORMATION TECHNOLOGY

M.Sc. CS/ IT is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in CS/ IT/ Electronics or BCA or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.
Eligibility: Graduation in relevant subject from recognized university.

MCA is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is B.Sc. in CS/ IT/ Electronics or BCA or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.
Eligibility: Graduation in relevant subject from a recognized university.

Master of COMPUTER APPLICATION

Department Of LIBRARY & INFORMATION

Library science is an interdisciplinary subject. It is an outcome of the Information science and Library studies. Hence, it is also called the Library and Information science. Library science deals with the organization, arrangement, preservation, collection, shelving, categorization and management of the library materials such as books, texts, titles, journals, newspapers and old editions. A librarian manages controls and upkeeps the information sources of the library. He is responsible for indexing, naming, coding, and classification of information sources in a way that it

SCIENCE

could be easily accessed. Besides colleges and institutions, there are many other places like Museums, Recordkeeping agencies, Corporates, Media, Public places, etc., which keep the library to preserve and facilitate resources to its people.

UG COURSE: BACHELOR OF LIBRARY & INFORMATION SCIENCE

Bachelor of Library & Information Science is a under graduate degree course of six semester duration. The minimum eligibility criterion of the Bachelor course or 12th grade examination or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: Bachelor course or 12th grade examination or its equivalent degree in relevant subject from a recognized university.

PG COURSE: MASTER OF LIBRARY & INFORMATION SCIENCE

Master in Library & Information Science is a post graduate degree course of four semester duration. The minimum eligibility criterion of the Bachelor course or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

Department of FASHION DESIGNING

The course of fashion Design aims to develop and provide professional graduates through leadership in education and training that will meet the needs and expectation of the fashion socials and human values.

The core mission is to create skills in design, fashion theory and innovation developments that will enable students to achieve their goals both design and construction.

DIPLOMA (FASHION DESIGNING)

Diploma in Fashion Designing is a full-time diploma program, the course duration of which is two semesters. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream of Science/ Arts/ Commerce with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: 10+2 examination in any stream from a recognized board.

POST GRADUATE DIPLOMA (FASHION DESIGNING)

Post Graduate Diploma in Fashion Designing is a full-time diploma program, the duration of which is two semesters. The eligibility of the course is passing of 10+2+3 examination or qualifying any graduation examination with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: Graduation in any stream from a recognized board.

UG COURSE: BACHELOR OF FASHION DESIGNING

Bachelor of Fashion Designing is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any relevant stream with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: 10+2 in any stream from a recognized board.

PG COURSE: MASTER OF FASHION DESIGNING

Master of Fashion Designing is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is Bachelor of Fashion Designing or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject (Fashion/ Interior/ Textile Designing) from a recognized university.

Fine Arts is indeed an aesthetic and creative career choice. Aristotle once said that the major objective of art is to exhibit the inner creativity of things and not the outer significance. It teaches and prepares students to become artists and to follow other practices that are associated with the making of art. According to Aristotle "the main aim of art is to represent not the outward appearance of things, but also their inward significance".

UG COURSE: BACHELOR OF FINE ARTS

Bachelor of Fine Arts is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade

Department of FINE ARTS

examination in any relevant stream with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: 10+2 in any stream from a recognized board.

PG COURSE: MASTER OF FINE ARTS

MFA is a postgraduate degree course of four semester duration. The minimum eligibility criterion of the course is BFA or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized university.

DEPARTMENT OF LAW

The Department of Law aims at developing the all-round persona, with a sound legal knowledge supplemented by fine analytical skills and articulation. The department's curriculum includes the dynamic moot court culture, legal aid services, court visits, debating activities, mock trials and much more. The department of Law offers the courses of Bachelors of Law (LLB) a three year graduate Degree and Master of Law (LLM) a postgraduate course of two years Law can be explained as a system of regulations and rules that are created by an authority in a certain country or community, which when not followed, can result in some sort of punishment or penalty. Law can also be described as a brand of justice. Law is one of the most sought after and long-standing professions in India and has always been one of the most popular courses for Indian students to pursue. There are mainly four types of law which are criminal law, civil law, corporate law, and business law. The main degrees in law are Bachelors of Law (LLB) and Masters of Law (LLM) which are offered by many prestigious institutions in both India and abroad. Students can also pursue specializations in law, which include Tax Law, Corporate Law, Real-Estate Law, Civil Law, Criminal Law, IP Law, and many others.

Law is one of the most sought after and most respected professions in the world. After a student graduates from Bachelors of Law (LLB), he or she can pursue teaching, start practicing the law under another senior lawyer on their own, work in a firm, work for a corporate company as legal contingency and can even go for higher studies and pursue Masters of Law (LLM). Doing LLM helps open up various career paths for the students as after completing the course, the person can work in magistrates and become judges.

Careers in Law: After a person graduates from the law, a variety of different career opportunities open up for him or her. A person can work in the different types of law which are civil law, criminal law, business law, or corporate law. Based on that choice, the person can choose whether he or she needs to decide whether they need to work for a law firm, join the practice of another lawyer, set up their shop, or work for a corporate organization. Studying law even further gives the students an option to work as magistrates.

Eligibility Criteria for Undergraduate Law Course:

- Must have cleared class 12th from a recognized board with at least 40% marks.
- Candidates that hold a Bachelor's degree from any UGC recognized university are also eligible for the program.

Eligibility Criteria for Law Master's Degree (Masters of Law (LLM))

- Must have a Bachelor's degree in law from a recognized university/college.
- Candidates must have passed the qualifying exam with a minimum aggregate of 45%.

PROPOSED COURSES

PROPOSED COURSES

Diploma in FIRE & SAFETY

Diploma in Fire and Safety Management is a full-time diploma program, the course duration of which is two semesters. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream of Science/Arts/Commerce with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: 10+2 examination in any stream from a recognized board.

Diploma in Hotel Management is a full-time diploma program, the course duration of which is two semesters. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream of Science/Arts/Commerce with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: 10+2 examination in any stream from a recognized board.

Diploma in HOTEL MANAGEMENT

Diploma in INTERIOR/ TEXTILE DESIGNING

Diploma in Interior/ Textile Designing is a full-time diploma program, the course duration of which is two semesters. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream of Science/ Arts/ Commerce with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: 10+2 examination in any stream from a recognized board.

Diploma in Animation is a full-time diploma program, the course duration of which is two semesters. The eligibility of the course is passing of 10+2 examination or qualifying 12th-grade examination in any relevant stream of Science/Arts/Commerce with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: 10+2 examination in any stream from a recognized board.

Diploma in ANIMATION

PG Diploma in INTERIOR/ TEXTILE DESIGNING

Post Graduate Diploma in Interior/ Textile Designing is a full-time diploma program, the duration of which is two semesters. The eligibility of the course is passing of 10+2+3 examination or qualifying any graduation examination with a minimum aggregate listed under a recognized board.

Duration: 2 semesters.

Eligibility: Graduation in any stream from a recognized board.

Bachelor in Fire & Safety is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any relevant stream with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: 10+2 in any relevant stream from a recognized board.

Bachelor in FIRE & SAFETY

Bachelor of HOTEL MANAGEMENT

Bachelor in Hotel Management is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any relevant stream with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: 10+2 in any stream from a recognized board.

Bachelor in Interior /Textile Designing is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any relevant stream with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: 10+2 in any stream from a recognized board.

Bachelor of INTERIOR/ TEXTILE DESIGNING

Bachelor of ANIMATION

Bachelor in Animation is an undergraduate degree course of six semester duration. The minimum eligibility criteria of the course is qualifying 12th-grade examination in any relevant stream with a minimum aggregate listed under a recognized board.

Duration: 6 semesters.

Eligibility: 10+2 in any stream from a recognized board.

Master in Hotel Management is a postgraduate degree course of four semester duration. The minimum eligibility criterion of the course is Bachelor in Hotel Management or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject from a recognized board.

Master of HOTEL MANAGEMENT

Master of INTERIOR/ TEXTILE DESIGNING

Master in Interior/ Textile Designing is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is Bachelor in Interior/Textile Designing or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject (Interior/ Textile Designing) from recognized board.

Master in Animation is a post graduate degree course of four semester duration. The minimum eligibility criterion of the course is Bachelor in Animation/ Math/ Physics/CS/IT or its equivalent degree with a minimum aggregate listed under a recognized board.

Duration: 4 semesters.

Eligibility: Graduation in relevant subject (Animation/ Math/ Physics/ CS/ IT) from a recognized board.

Master of ANIMATION

DOCTORAL PROGRAM

Introduction:

All UGC norms and regulations are followed while offering Doctoral Programs at the William Carey University. The William Carey University provides Doctoral Programs of research through theoretical, critical, contextual and applied scholarship, encouraging diverse analytic and integrated perspectives. The research program aims to provide professionals engaged in higher educational institutions with qualifications for higher levels of service, teaching, and research anywhere such a degree is required. The program consists of rigorous study and research in a chosen field of study within their particular contexts through an integrated program of learning. The University encourages Doctoral Programs for the development to find dependents research for scholars and practitioners through critical thinking and research skills required for professional careers in various fields of specialization. Research will encourage the integration of various disciplines to place the study in its appropriate context. The objectives of the program will be fulfilled by providing researchers with academic integrity, scheduling flexibility, and contextual sensitivity. Motivation in application is built in to the program. Currently all research at the university and the award of degrees follows: [https://www.ugc.ac.in/pdfnews/4952604_UCG-\(M.PHIL.-PH.D-DEGREES\)-REGULATIONS,-2016.pdf](https://www.ugc.ac.in/pdfnews/4952604_UCG-(M.PHIL.-PH.D-DEGREES)-REGULATIONS,-2016.pdf)

(a) Program Outcomes:

- Achieves recognition/acceptance/equivalence through maintenance of Inter-national standards.
- Collaborates with international institutions on the basis of reciprocity.
- Develops scholars with interdisciplinary and an integrated approach to learning.
- Promotes Institute-Industry-Science Partnerships which match higher education with industry needs, transfer research findings from institution to industry and continuously reorient curriculum towards greater development of socio-economic equality.

The candidate is required to submit a thesis proposal for approval and ten number of Review of related literature. A common basic template known as Form 1 for thesis proposal has been developed at the William Carey University. Check out the details of the common basic template known as Form 1 for thesis proposal in the university website www.williamcareyuniversity.ac.in

(b) Ph.D. Registration:

On the successful completion of the six month mandatory Course Work examination and approval of the research proposal, the candidate will be issued a Registration Number which allows the candidate to pursue research. Without the Registration Number, a candidate will not be allowed to proceed with the research.

(c) Submission of Thesis:

- The thesis shall be an original work produced by the candidate with evidence of authenticity.
- Each candidate shall include a statement bearing his/her signature along with the thesis, thereby declaring that the thesis is a bonafide work of the candidate.
- The thesis should consist of about 60,000 words, excluding the bibliography.
- The candidate should submit one page curriculum vitae, along with the thesis.
- The thesis should be written in English or in a regional language provided the candidate presents 1/3 of the thesis in English.
- The candidate should submit a 1000 word abstract of the thesis in English.
- Five copies of the thesis should be submitted to the institution after completing all the formalities.

Research Advisory Committee (RAC)

The Research Advisory Committee (RAC) will consist of the research guide/mentor; two experts from the field

of study, with an additional member appointed from the branch other than that of the field of specialization to encourage an interdisciplinary and integrated approach. The Research Guide/Supervisor/Mentor shall be the chairperson of the committee.

Check out the William Carey University, Guidelines for Academic Integrity in the university website www.williamcareyuniversity.ac.in

(d) Evaluation of Thesis:

- The thesis will be evaluated by a panel of two examiners as recommended by the Research Guide/Supervisor/ Mentor.
- The examiners shall have to submit their evaluation reports within stipulated time period.

(e) Public Defense of Thesis:

- On the recommendation of the examiners, the candidate is invited for Public Defense of the thesis.
- The panel for the Public Defenses hall consists of the Vice Chancellor, Dean of Faculty, Members of the Research Committee and the examiners.
- The examiners will have to send questions for clarification by the candidate two weeks prior to the Public Defense.
- A copy of the abstract shall be made available to the members of the Panel two weeks prior to the Public Defense.
- A copy of the thesis will be kept in the library and copies of thesis will be sent to the UGC by the university after the award of degree.

(f) Clearance Certificate

The candidate is required to obtain clearance certificates from the library, accounts department, hostel, and the sports department before the degree could be awarded.

(g) Consolidated Recommendation

Based on the report of the External Examiner and the performance of the candidate in the Public Defense, the following recommendations may be made:

- The thesis is successfully completed and the Ph.D. degree can be awarded.
- The thesis needs revision in certain areas. (The areas for revision will be specified and set a time before which the candidate will need to resubmit the thesis).
- If the thesis did not meet the required standard, the candidate cannot be awarded the Ph.D. degree.

(h) Publication of Thesis:

The candidate is encouraged to publish the thesis but with the prior permission of the institution as it reserves the right to publish.

(i) Convocation

Convocation is held at regular intervals by the University at Shillong. One can also receive the degree in absentia.

NOTIFICATION ON RAGGING

Ragging may be defined as any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or a junior student. It may also be referred to indulging in an undisciplined activity which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear in a fresher or a junior student. Asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student is also considered as ragging.

To curb the menace of ragging on higher educational institutions the University Grants Commission has framed anti-ragging regulations in pursuance to the judgment of the Honorable Supreme Court of India dated 8.5.2009 in Civil Appeal No. 887/2009. These regulations are to be mandatorily to be followed by all universities and colleges. To eliminate ragging in all its forms, William Carey University has also adopted the 'Zero Tolerance Policy' towards ragging since its inception. No act of ragging, major or minor shall go unnoticed. No ragger, male or female, student or non-student, shall go unpunished. Strict action will be taken against those who indulge in ragging as per the guidelines given by the UGC.

William Carey University has taken several steps to curb the menace of ragging at its premises.

- ✓ First and Foremost, the prospectus for admission issued to the aspirants for admission has clearly mentioned that ragging in any form is banned in the institution and anyone indulging in ragging is likely to receive deterrent punishment.
- ✓ The university has setup a dedicated Anti-Ragging Cell to encourage the students for reporting against any incidents of ragging.
- ✓ CCTVs have also been installed at vital points around the university and constant Counselling of students are being done to prevent any such incidents.
- ✓ Workshops and Seminars are held every once a year to create awareness among the students.
- ✓ Surprise inspection of student accommodation, canteens, recreational rooms etc. are done on regular basis by the members of the Anti-Ragging Cell.
- ✓ Anti-Ragging posters are displayed at all prominent places like Admission Centre, Departments, Library, Canteen, Common Facilities etc.
- ✓ Each student and every parent are advised by the university to submit an online undertaking every academic year at www.antiragging.in. This is in accordance to the 2nd amendment in UGC regulations.

Strict action will be taken against those who indulge in ragging as per the guidelines given by UGC. Students should report any unsocial behavior on the campus to the Anti-Ragging Cell of the University.
